Subject: Request for Facilitating the Unnat Bharat Abhiyan activities- Reg

Sir ,

I am directed to refer to letter dated 30.07.2018 received from the Joint Secretary (ICC) regarding the above mentioned subject. As you may be aware that Unnat Bharat Abhiyan is a flagship program of MHRD, Government of India to involve higher education institutes of the country for indigenous development of self-sufficient and sustainable village clusters for inclusive India. As of now, 750 reputed institutions have been selected and with the intention of enriching rural India, these selected Institutions are expected to customize the available technologies and development of new technologies, as per the local needs and also to improve the implementation of existing Government programs.

In due course of time, most of the higher educational institutes of the country will be participating in UBA and helping inclusive development of villages in collaboration with district authorities through social, managerial and technological interventions with their faculty and students.

UBA aims to primarily leverage the existing strengths of the Higher Educational Institutions to enrich Rural India. UBA guidelines allow funding support only for the following:-

1. For Field Visits- Rs 10,000 Per Village
2. For Customization of an available technology- Rs 50,000
3. For Development of a new technology- Rs 1,00,000

In the recently concluded National Conference of Vice-Chancellors and Directors, it is resolved that all the Higher Educational Institutions would associate themselves in implementing Unnat Bharat Abhiyan. For the successful and effective implementation of UBA, most institutes

feel the need to use the resources of Institute including gap funding, for time to field movements, TA/DA to attend periodical workshop organized, apart from UBA budget.

You are requested to use your internal resources also, as far as possible, apart from the budgetary provisions of UBA, for smooth implementation of programme. Necessary directions in this regard may be issued, at the earliest, to make the programme successful

With Regards

Yours faithfully,

Prashant Agarwal
Director (IITs)
