Framework of Action Plan For Participating Institutions

Prof. Vivek Kumar
National Coordinating Institute
IIT Delhi
18th July, 2018

Centre for Rural Development and Technology

Objective

- To Suggest Steps/Guidelines to the PIs for formulating plan of action for Village Development

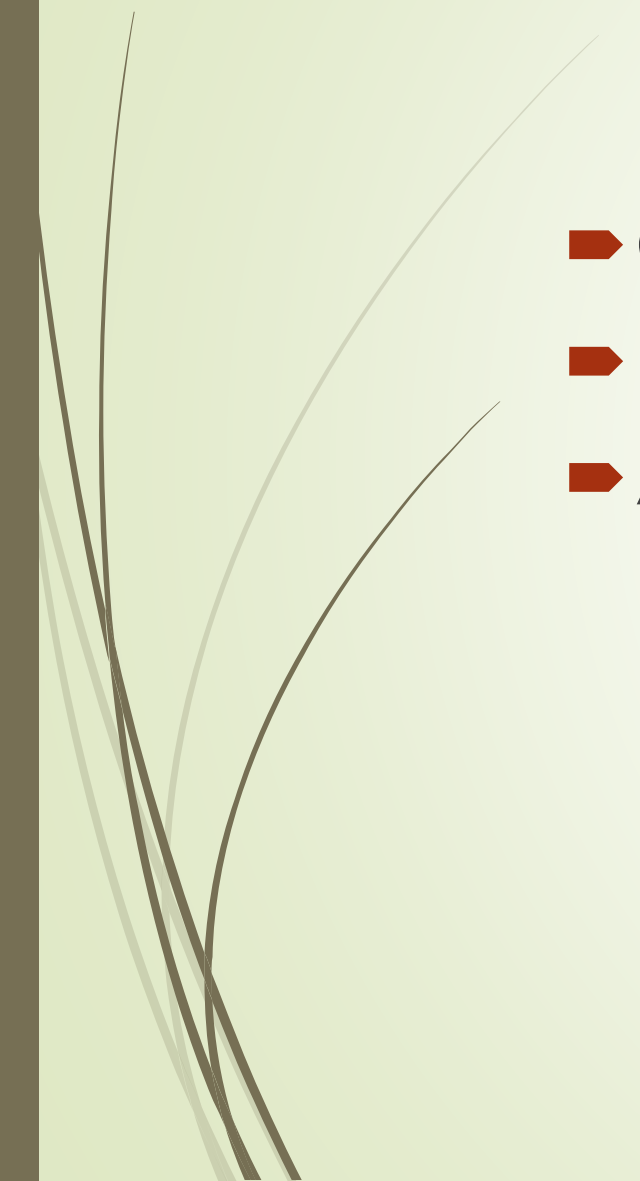

Strategy

- Selection of Village
- Awareness and Participation
- Planning
- Project Formulation
- Implementation
- Monitoring and Assessment
- Evaluation

Selection of the Village

- Closeness to the institute
 - Backwardness of Village
 - Any Prior linkage of institute
- 

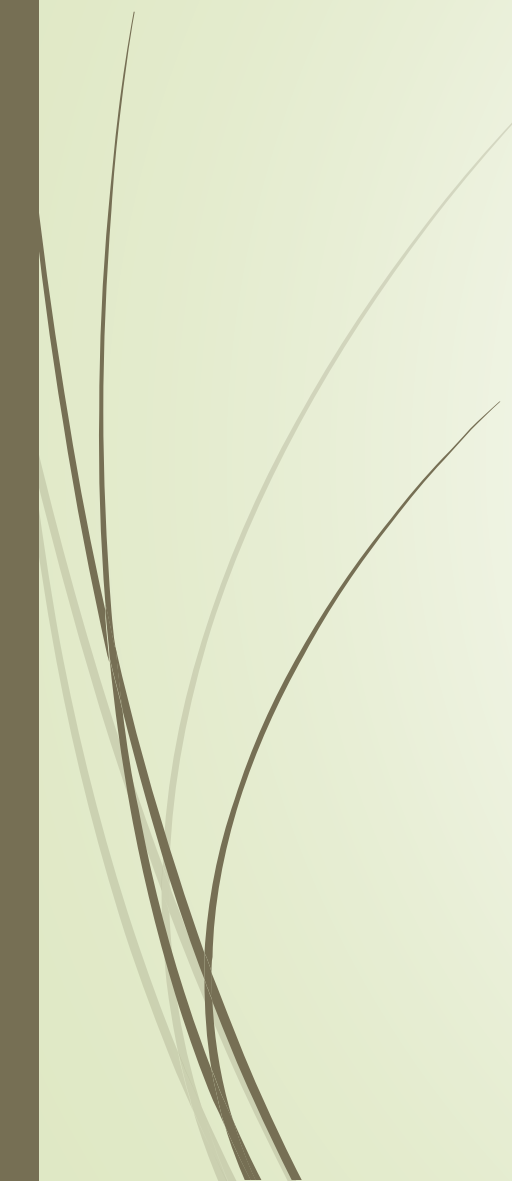

Establishing Contact, Awareness, and Participation

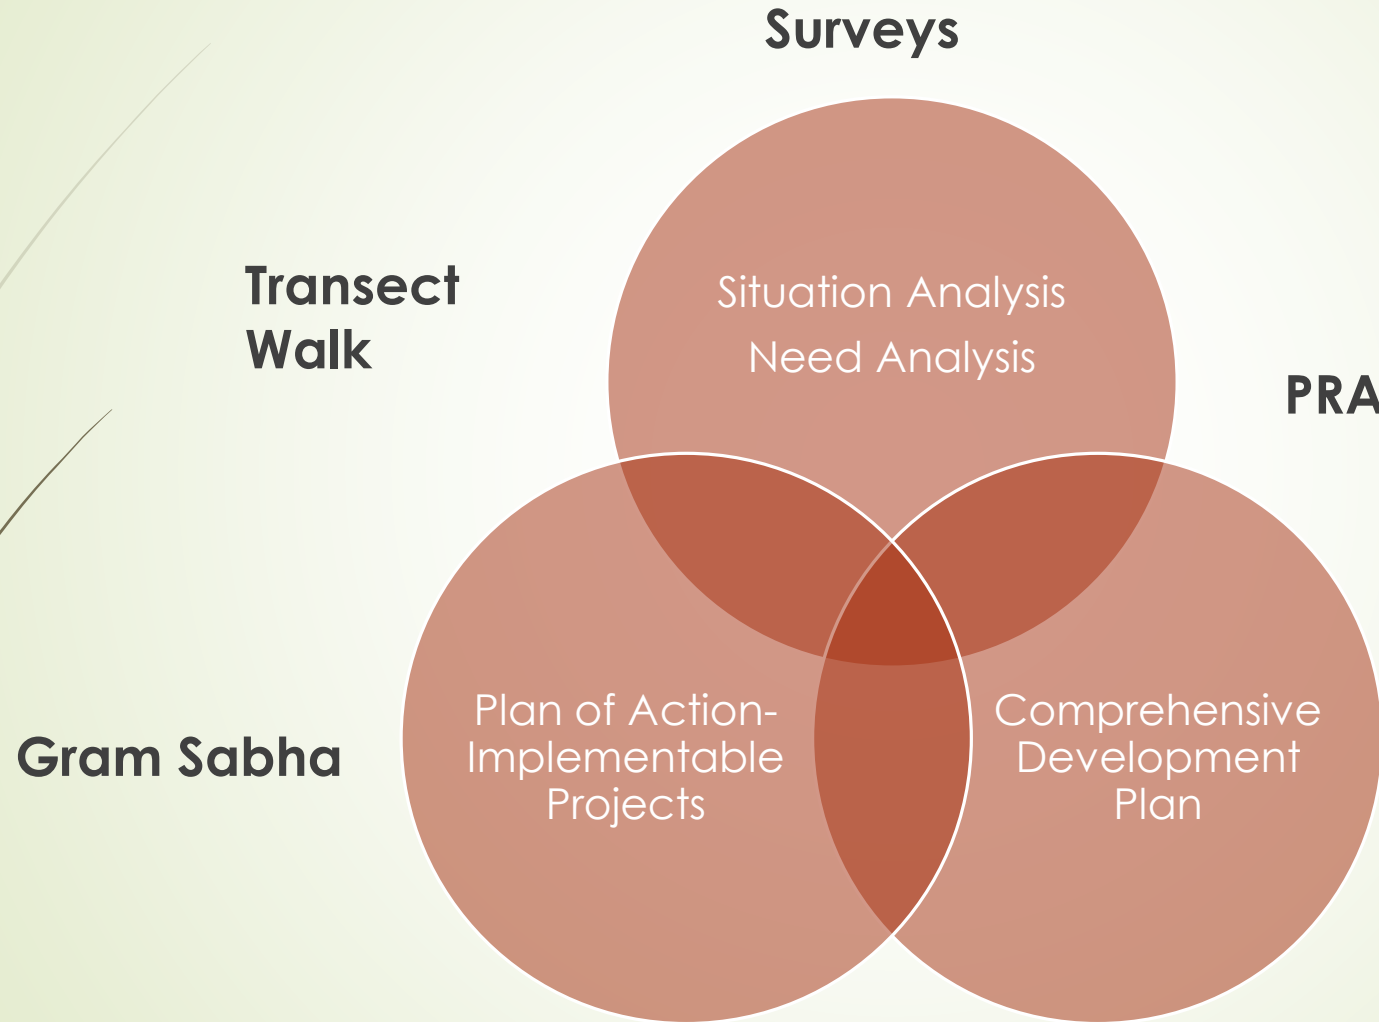

- Meeting with Panchayat Secretary, Gram Pradhan, BDPO, JE
- Meeting with elders, youth groups, Women groups
- Identifying one problem and provide immediate solution

Awareness and Participation

- Engage the faculty members
 - NSS and Student volunteers
 - Student Clubs (film society, dramatics, fine arts, etc.)
 - Field Agencies and Organizations
 - Institutes in the neighbourhood
- 

Planning Perspective

Situation Analysis and Need Identification

- Baseline Survey
- Identification of Key Issues
- Participatory Planning
 - People's priority
 - Local Solutions
 - Selection of interventions

Analysis through Baseline Survey

DEMOGRAPHIC PROFILE

- Gender
- Age Group
- Poverty
- Linking with Govt Schemes

BASIC AMENITIES

- Education
- Health
- Drinking Water
- Drainage and Sanitation
- SLWM

LAND AND AGRICULTURE RESOURCES

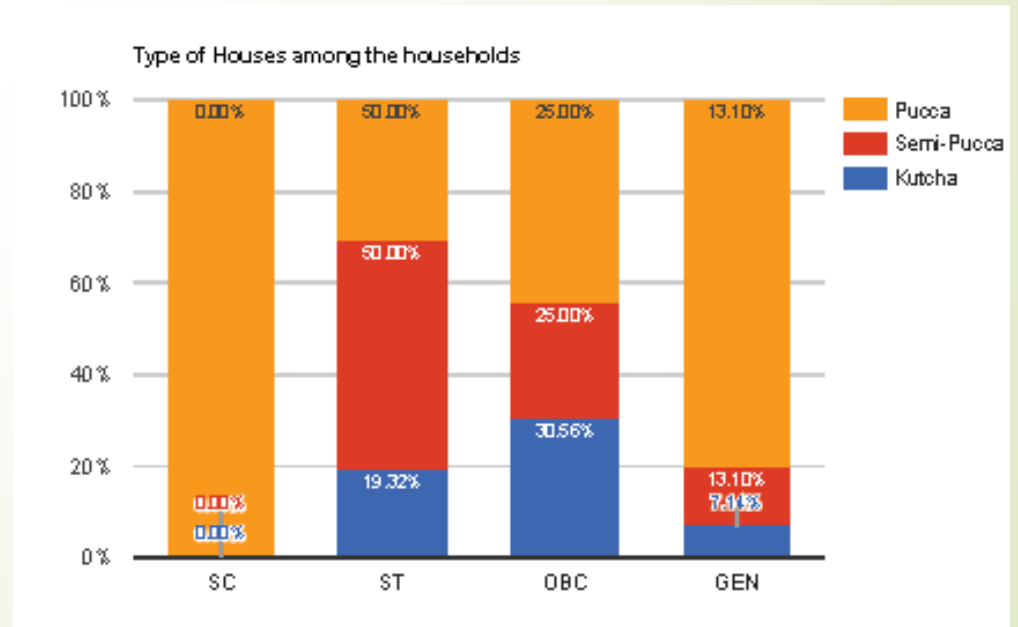

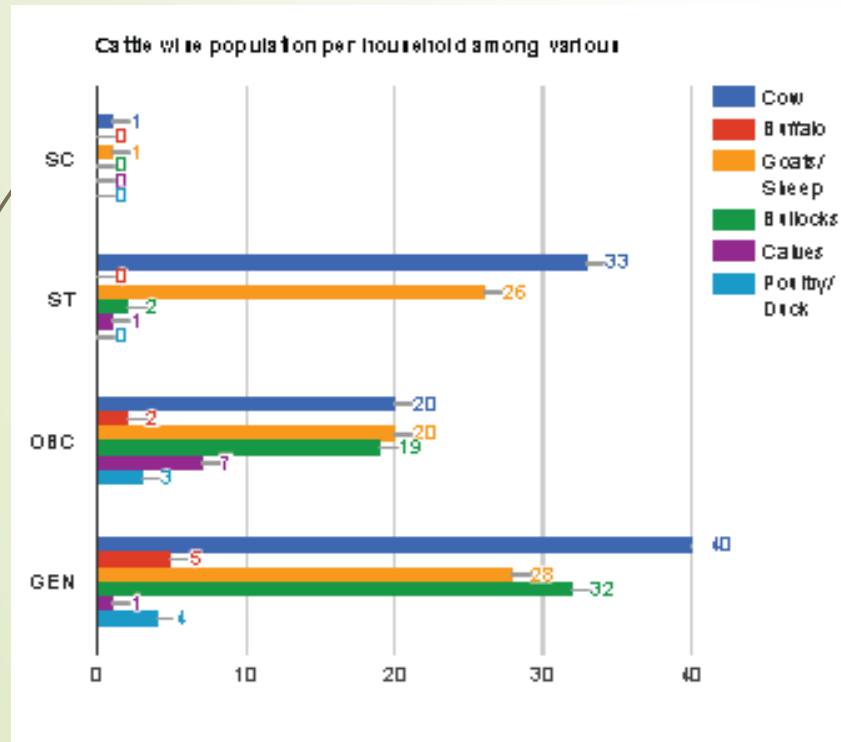

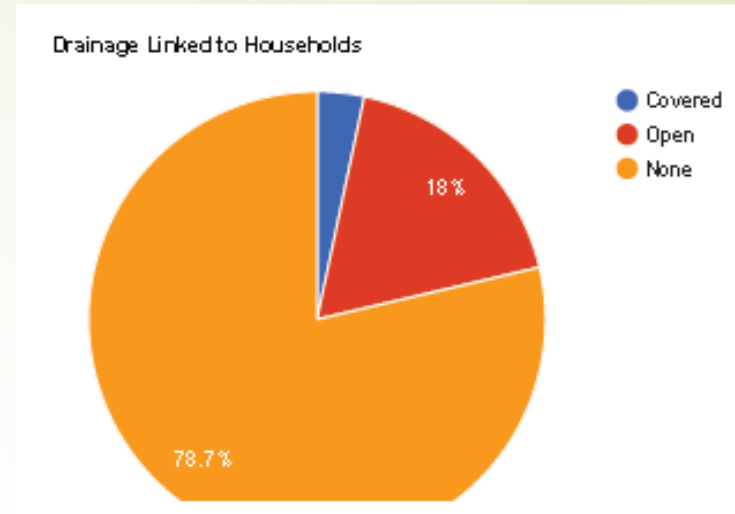

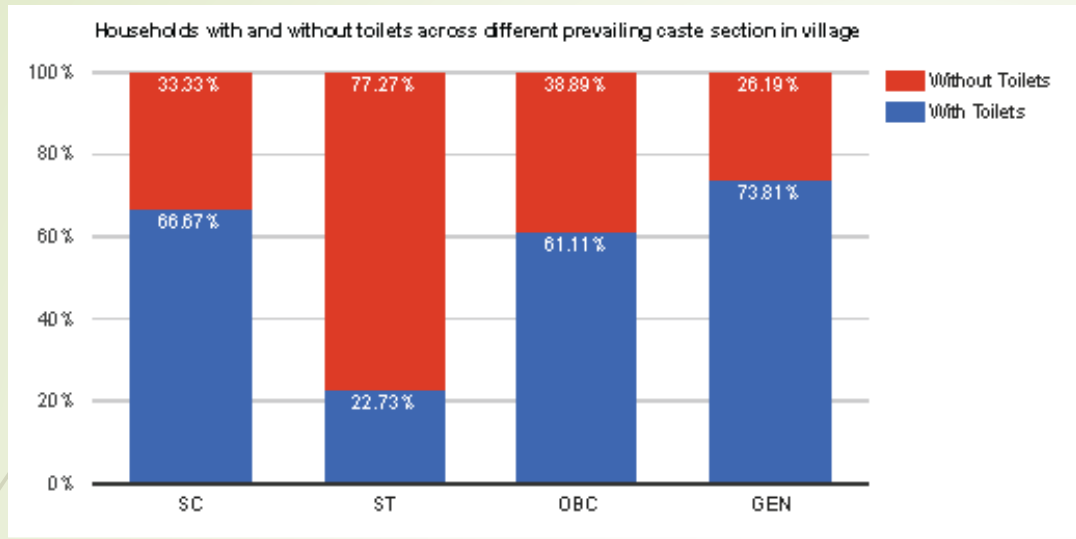

- Land use pattern
- Irrigation
- Forest and Horticulture
- Use of Chemicals
- Livestock status

ENERGY AND POWER

- Lighting source
- Cooking Fuel

Gaindikhata

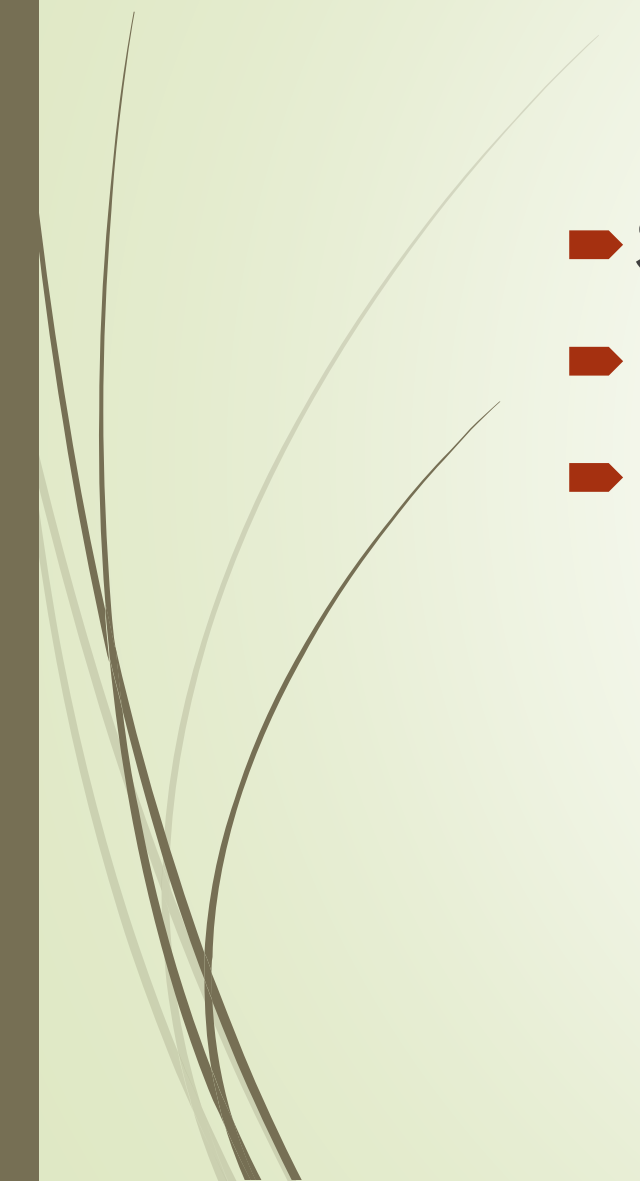

Project Formulation

1. Technology identification and Proposing Solution
 - Validation through experts-SEG
 - Cost Estimation
 - Identification of schemes
 - People's Feedback
2. Discussion with District Agencies
3. Funding and Convergence
4. Implementation of the Solutions

Monitoring, Assessment and Evaluation

- Setting up of Measurable Targets
 - Documentation of all the experiences
 - Periodic Assessment of set targets
- 

Long Term Action Plan for Village Development

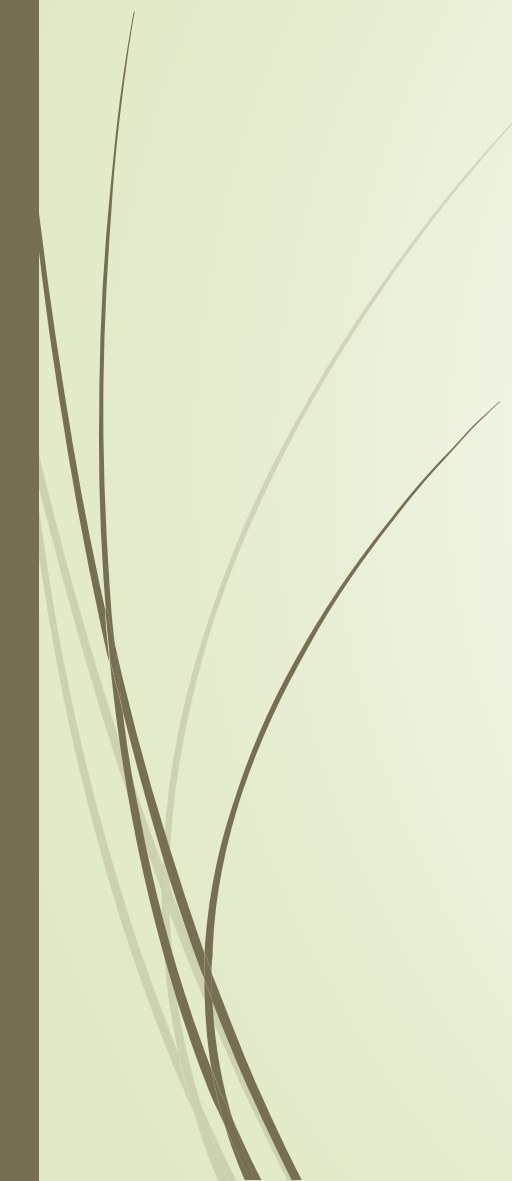

- Plan for holistic & integrated village development
 - Village Integrated Development
 - Economic development
 - Infrastructure development
 - Human development
- Provide support in implementation of Government Projects
 - Participation in DISHA
 - Monitoring and evaluation of the projects
 - Helping Panchayats through technical support/technical experts
 - Helping in preparing the monitoring and evaluation report
 - Helping in Impact Assessment

Tentative time line

Item of Work	Time From Selection of Villages (In Months)
Selection of the cluster	-
Awareness generation	Two
Social mobilisation	Two
Baseline survey	Two
Situation analysis	Two-Four
Action Plan (Project Formulation, mapping with schemes, departments)	Three-Seven
Approval and sanctions	Four-Eight
Implementation in the field	After Five Months
Progress review	one

National Level Monitoring

- ▶ Web based system
 - ▶ Every activity to be documented and made available in public domain
 - ▶ The outputs under each activity would be measured every quarter in relation to the physical and financial targets
- 

Thank You
