

Important aspects of today's meeting

- ✓ All the technical institutes have today gathered on the same platform
- ✓ We have to speak the language of the rural folk.
- ✓ We need to take the blessings of at least Five elderly people /senior members of our society and Five artisans .
- ✓ We need to empower our women with technology.

- ✓ More than 100 students are doing PhD in rural development in IIT- Delhi .
- ✓ Developed Village, Developed Nation.
- ✓ We have to understand the ethos of our villages.
- ✓ Education and development go hand in hand.

- ✓ Rural development being added as a core subject in our curriculum.
- ✓ Largest educational initiatives with rural connection.
- ✓ We need **Strength** ('Fire') and **Inspiration** ('Inspire').
